### General Information

**Instructor:** Dr. Jaime Flowers, Ph. D, BCBA, NCSP

**Title:** Hispanic Heritage Month

**BACB CEs:** 2 Ethics/DEI CEUs

**IBAO CEs:** 2 DEI credits

**QABA CEs:** 2 DEI CEUs

National Hispanic Heritage Month, observed from **September 15 to October 15**, honors the **history, culture, and contributions** of Hispanic Americans. This course explores the origins of the celebration, key historical events, and influential Hispanic figures who have shaped the United States across **various fields, including food, art, sports, STEM, politics, and more**. Participants will gain a deeper appreciation for the **diverse experiences and cultural traditions** that define Hispanic heritage, as well as discover meaningful ways to engage in and celebrate this important month.

### Speaker Bio

Dr. Jaime Flowers holds a License in Educational Psychology (LEP) in California, and a License as a Specialist in School Psychology (LSSP) in Texas. Additionally, she is recognized as a Board Certified Behavior Analyst (BCBA) and a Nationally Certified School Psychologist (NCSP). Dr. Flowers' scholarly pursuits are primarily focused on the realms of behavior analytic ethics and functional behavior analysis within educational environments. Her research endeavors contribute significantly to the advancement of knowledge and practices in these critical areas of study.

### Learning Objectives

1. **Understand the history of Hispanic Heritage Month** – Learn why it is celebrated and its historical significance.
2. **Recognize key contributions** – Explore the impact of Hispanic Americans in politics, STEM, sports, and the arts.
3. **Engage in cultural celebrations** – Discover ways to celebrate through food, music, literature, and community events.
